

2022 Michigan Thespian Festival

December 9-10, 2022

State Continuing Education Clock Hours (SCECHs)

SCECHs are offered at the 2022 Michigan Thespian Festival. The number of hours earned is based on the number of workshops attended. You must note on the form the workshops attended in order to earn credit. You may earn between 1.5 and 5 SCECHs.

BEFORE the start of the festival closing ceremony, take your completed form to the festival office located in the Lansing Conference Center.

You must attend festival a minimum of **three** hours in order to be eligible for credit. If you do not attend the minimum of three contact hours, you have not met the state minimum requirement and will not be awarded credit.

A \$10 application fee is required to apply for SCECHs. You must pay your \$10 fee at the festival when you submit your application form. The application forms are **ONLY ACCEPTED ON-SITE** during the festival and will not be accepted by mail or after the conclusion of the festival closing ceremony.

After festival all forms will be reviewed for accuracy. Please make sure your first name, last name, PIC number and email address **EXACTLY** match the login information for your State of MI MOECS account. If these do not match, your hours will not be successfully uploaded with the Department of Education. **The forms without a PIC number will not be accepted.** Two–four weeks after the festival you will receive an email from the Department of Education prompting you to complete a survey. Upon completion of this survey your hours will be awarded and will appear in your online account. You must complete this survey to receive the hours.

The information below must match your MOECS account or you will not be able to access your evaluation to earn these SCECHs
